Die Refurbishing Service

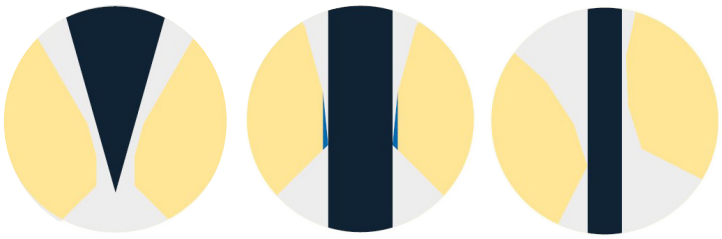
DIES Ø 0.007 ▸ 36 mm

CUSTOMIZED REFURBISHING
DIES LIKE NEW
UNIT OR DIES SETS
NATURAL / SYNTHETIC / PCD DIAMOND

BALLOFFET offers a dies refurbishing service which guarantees the same performance as new dies, **in terms of quality, reliability and lifespan.**
This optimizes the output of your wire drawing machine and saves material.

Refurbishing fitted to each die

- Simple polishing or with diameter change
- Specific geometries
- Any original die brand
- Geometry change possible
- Elongation control upon request



Refurbishing of any die
